ST. JOSEPH OUR PATRON

OUR VISION

The Congregation of the Sisters of St. Joseph of Tarbes was founded in France, in the year 1843, by six young peasant girls who had a special experience of God, which urged them to live TOGETHER a life of Contemplation. Thus living in communion, they became sensitive to the needs of the people around and responded enthusiastically to their call to educate children and care for the sick. Later they responded to other forms of service.

Their main aim in Education was to ensure the Christian formation of youth, and to instruct the poor.

Through the ages, the Sisters persevered in their mission with faith in God, heroic courage and optimism even in moments of great difficulties opposition and challenges.

THE SJT VISION OF EDUCATION

- ✧ to form with a love for learning, creative thinking, ability to make responsible decisions and having a special concern for the poor and the marginalised.

We shall strive to realise this vision in and through communion with our staff, students, parents, neighbours and all those who are associated with the institution.

To those who dare to hope.

His plans, God is passionately busy loving you and me (2)

Ev'ry ocan wave that breaks; Upon the sea shore

Ev'ry silver stream that gushes down the mountain
Ev'ry drop of honey sweet; Ev'ry eagle flying high
Ev'ry worm that wriggles by,
Tells the fascinating news
To those who dare to hope

A PRAYER

This is my prayer to Thee, My Lord- Strike
Strike at the root of pernury in my heart.
Give me the strength lightly to bear my joys and sorrows.
Give me the strength to make my love fruitful in service.

Poor or bend my knees before insolent might.
Give me the strength to raise my mind high above daily trifles.
And Give me the strength to surrender my
Strength to they will with love.

Rabindranath Tagore

PRAYER OF A STUDENT

O God
From whom all wisdom
and knowledge proceed
Help me to do my studies well.
Open my mind to the truth,
wipe out all my prejudices.
Let me not mistake fiction for facts
and fanciful theories for science.
Make me diligent and constant
in the pursuit of learning,
Give me an attentive mind, Lord,
keen and alert
so that i can concentrate
and grasp my lessons.
Give me an eager mind
to learn something new everyday.
And may my aim always be
to pierce the veil of the visible world,
to reach you,
O invisible, eternal and unchangavble truth.
